Medinah Country Club · Chicago, IL · September 22–27, 2026

Hole-level scoring distributions are built from 2025–26 skill (μ SG), Medinah course-table scoring (-1.16 vs par, 199-round sample), and projected birdie/bogey rates. Singles matches use hole-by-hole match play; foursomes average partner distributions; fourballs take the better of two sampled scores per hole (DataGolf Ryder Cup blog). Lineup uncertainty: top-ranked players ~85% session play rate, bottom ~35%. 30 cup points across 5 sessions; USA retains on a tie.
